JP mt 6/6 A D (1) III

Dear Sir/Madam,

I am a resident of DDA SFS Flats Mukherjee Nagar area. I would like to submit to your esteemed team following points related to our area. Hopefully you will find merit and consider the same during plan finalisation.

- 1) **Non availability any green belt in Mukherjee Nagar area:** Mukherjee Nagar area is vast comprising of Mukherjee Nagar, Outram lines, Parmanad colony, Indra Vihar, Nehru Vihar, Gandhi Vihar etc. There is no DDA park, district park or green belt in this area. This can be looked into. As we have vacant university land and dheerpur area which can be developed as green belt.
- 2) **Transportation:** Road from kingsway camp to Mukherjee Nagar is always congested and choaked. There are two depots one of DTC and other of Haryana roadways. Now since area is densely populated so shifting of these depots to outer ring road near burari crossing can be

thought of. This will unlock vast land which can be used for sport complex as no such complex exists in our area.

3) **Alternate Road:** Alternate approach road aalong najafgarh drain can be built to ease congestion on existing road.

4) **Walkways:** Mukherjee nagar and adjoining area is student dominated due to close proximity to DU. So we can think of building a walkway/skywalk from Batra cinema to kingsway camp chowk. this will helps walkers and ease congestion also.

5) **Schools,institutions etc:** Mukherjee Nagar area is vast comprising of Mukherjee Nagar, Outram lines, Parmanad colony, Indra Vihar, Nehru Vihar, Gandhi Vihar etc. There is very few schools in the area. So dheerpur area can be developed as institutional area with schools, institutions, sports complex etc.

I hope you will find above suggestions worthy and give due consideration.

With regards

Manish Singh
