Dear Sir/Madam,

There are some suggestion regarding Delhi Master Plan 2021 for our area Shahdara village (As per your List of village sr. no.24) exist in MCD Ward -237 namely Shahdara and Part of MCD ward 238.

1. In our area there are no Park, no Playground ,no Parking and other facilities which should be necessities as per your Master Plan 2021. Pl. redevelopment our area into ground reality. In our area there are main commercial market and roads such as Farsh Bazar, Chota Bazar, Bara Bazar etc. and you have shown Row is Approx 18 mtrs and etc. but reality it is very narrow and nul. So, Pl. give the proper Row.
2. There are lot of vacant and Evacuee Properties under owner of Evacuee Property Cell (Castodian) Land and Building Deptt. , DDA can use these properties for development of Shahdara village and give the facilities of Parking , Play grounds and other which People of Shahdara want.
3. For all above matter Pl. come to our area for ground survey, we will also participate with you and make Plan for Shahdara village which we need.

For any further assistance, Pl. free to feel contact us.

Thanking you,
