Sub : Incorporation of Old Ishwar Nagar (West) Industrial Area in Master Plan 2021 under review now.

Ref : Suggestions for Review of Master Plan 2021 pursuant to the Public Notice dtd 2nd May, 2012 published in the newspapers.

Sir,

I , Gautam Oswal , S/o Late Sh Sohan Lal Oswal , partner of M/s Amar Dyeing Works (formerly Bharat Dyeing & Bleaching Works) at 87 , Shambhu Dayal, Old Ishwar Nagar (West) , (Village Bahapur) , Okhla Industrial Area , New Delhi , confirm that we set up our factory in 1958 (i.e., pre MPD-1962) and our factory has been in continuous existence and use since then . Our suggestions are to be incorporated in the Master Plan 2021 under review now. We had earlier also submitted our petition vide receipt no. REC/M/08/1224 dtd 28/02/2008 wherein we had mentioned that we should be declared industrial area and had placed various documents to justify our claim for the same, but we were not apprised of the outcome of our petition.

Our land is a private land and it is bounded as follows :

North : Hans Technology Park
East : Old Ishwar Nagar Industrial Area (eastern side)
West : Kalkaji Road
South : Another Factory - Annapoorna Industrial Corporation

 - 19) Electricity Bill for the period from 13-Nov, 05 to 13-Dec, 05 (Annexure S).

Our area has since been continuously used as industrial while the Master Plan did not incorporate it.

Under Sec 14 of the Delhi Development Act, no person is permitted to use any building area in the Zone otherwise than in conformity with the plan. **However, the provisions to the said section carves out an exception in respect of the user which has been in existence prior to the coming into force of the plans i.e.,**

Master Plan or the Zonal Development Plan.

It is a settled position of law and accepted by the authority that a user in existence prior to the coming into force of the plans , i.e., MPD-1962 , the said user is allowed to continue under the plans and the Delhi Development Act.

Our land has Municipal No. 87 , Shambhu Dayal Marg, Old Ishwar Nagar (Village Bahapur) , Okhla Industrial Area , New Delhi . The said area is fully built up and some of the structures have been in existence for more than 100 years. **We are occupying and operating at these premises prior to the coming into force of the MPD-1962.**

It is thus the submission that the area under our occupation has being used for industrial purposes since the year 1958 . It would be pertinent to mention herein that the present area was part and parcel of Old Ishwar Nagar where industries like Ranbaxy Laboratories , Glaxo Industries , Godrej Industries , Ishwar Industries , Midland Foods , etc exist on the eastern side and industries like Annapoorna Industrial Corporation , Bharat Dyeing & Bleaching Works , Universal Tin Industries , etc , exist on the western side . The eastern and western sides of Old Ishwar Nagar got separated due to the construction of a new road , i.e., Shaheed Capt Pradip Gaur Marg , in the early seventies. The major chunk of land went on the east of this road and a small area where we are located was on the west of this road. The eastern side of Old Ishwar Nagar Industrial Area has been incorporated as an industrial area by the concerned

- 5 -

authorities. The western side of Old Ishwar Nagar Industrial Area , where we are located and subject matter of the present suggestions , for unknown reasons was not incorporated as an industrial area. This may kindly be done now.

Thus , it is requested that our factory in Old Ishwar Nagar (West) Industrial Area be incorporated as Industrial Area in the Master Plan 2021 as we have been user as industrial prior to MPD – 1962 .

Thanking You ,

Yours Faithfully ,

Gautam Oswal
