Suggestion

Dear Sir,

I am a Senior Citizen of 70 yrs age. I have one suggestion for your kind consideration which would be very good for Senior Citizens like me for providing Medical Facility nearby.

AA) Medical Doctors Small clinics (less than 20 sq. m) should be allowed in Residential Areas ~~without~~ without any condition or restriction of minimum ROW of Road or any percentage of permissible or sanctioned FAR area in a Plotted Development, b) Group Housing Society, and

c) DDA Multi-storey Flats.

BB) The above clinics should be allowed in Convinient Shopping Centres (CSC) also.

CC) The above small clinics can be rented or ownership basis "

Thanks.

Yours Sincerely
