OFFICE OF THE DIR (Plg.)

Dy. No. 4012
Dated 11/6/12

Dear Sir,

I am a Housewife of 70 yrs age.
I have one suggestion for your kind
consideration for having medical facilities
nearby in colonies.

- 1/ Doctors clinics should be allowed in convenient Shopping Centres (SCs) also. As per Para 5.2 of Delhi Master Plan 2021, clinics are allowed in LSC. In CSC population is 5000 (Now increased), the clinics in CSC will help residents to have medical facility nearby.
- 2/ Medical Doctor's small clinics (less than 20 Sqm - refer para 15.6.3 (XV) of Delhi Master Plan 2021) should be allowed in Residential areas without any conditions or restriction of minimum ROW of Road or any percentage of permissible or sanctioned FAR area. in a) Plotted Development, b) Group Housing Society and c) DDA Multistory Flats.

These small clinics can be rented or ownership based.

Thank

Yours faithfully
Santosh Aggarwal
