SUBJECT : OBJECTION/SUGGESTION FOR REVIEW OF MASTER PLAN 2021

Respected Sir,

With reference to your advertisement published in Hindustan Times on the subject cited above, Our Objections /suggestions are as under for your kind consideration and necessary action.

OFFICE OF THE DIR (Plg.)
MPD-10, DDA, N. DELHI-2
Dy. No. 4041
Dated 13/6/12

1) In MPD 2021 under Clause 15.6.2 it is stated as "Retail shops of building materials, timber, Timber products (excluding furniture), marble, iron & Steel (gravel, cement and sand), Firewood, coal and any fire hardous and other bulky materials" (Photocopy enclosed). In addition to above in MPD-2021 under clause 18.1 under title "Trade & Commerce" the minimum period for completion, the period of monitoring phase 1 year that is upto February, 2008. (Photocopy enclosed)

2) The Delhi Loha Vyapar Association (Regd) had filed a writ petition in the Hon'ble Supreme Court in response to the petition on behalf of DDA, Mr. A.K. Jain the then Commissioner of Planning, Vikas Minar, I.T.O., New Delhi-110002 had accepted before the Hon'ble Court that the business of Iron & Steel has been considered at the time of preparation of Master Plan. However, still nothing seemed to have been done by the DDA and Government to fulfill their promises. The time provided for developing the Markets was 1 year from formal notification of MPD-2021 i.e. upto 7th February, 2008. The Commissioner (Plg.), DDA also in its affidavit before the Hon'ble Supreme Court had assured that such markets would be developed in each zone of Delhi, but has been done till today.

(Photocopy Enclosed)

3) It is suggested that the provision for sufficient space (say upto 1000 SQM) for each member of Iron & Steel may be made in the development plans of all Zones as their material is of bulky nature and occupy large space.

4) That in MPD 1962 the following land area has been earmarked for the following purposes :

- (a) 170 Acres, "Fitted Factories"
- (b) 350 Acres, "Mining" (Including 100 Acres for pottery factories)
- (c) 400 Acres, "Iron, Steel, Timber & Cement"

In the above plan Govt. had promised to develop the Commercial Areas and Market for Iron & Steel in 400 Acres of land but it is sorry to say that today at least 25 Zones are being developed but nothing has been done for Iron & Steel trade so far.

In MPD 1962 and in the past the Govt./ DDA allotted plots to the traders on concessional rates in the Industrial Areas, so it is suggested that the same pattern of Commercial rates policy may be adopted while reviewing the MPD 2021.

15/12

Many delegations of our Association met with the "Central Govts." and DDA's top officials (including Hon'ble Lt. Governor Union Minister Mr. Jaipal Reddy, Dy. Minister Mr. Ajay Makan and Vice Chairman DDA) and discuss the traders problems.

We have received many letters under RTI act from various DDA's officials as under :

In letter no. 100(3) 2008/RN/2875/21582 Date 21-11-2008 received from Mr. A.K. Acharya, Addl. Secy. To Lt. Governor, it is stated that the provision has been made in Zone 'M', 'N', 'C' where Iron and Steel traders can also be earmarked space / plots after finalization of plans and detained scheme. (Photocopy Enclosed)

Dy. Director (Plg.) VC/PIO Mr. Chandu Bhutia is stated in his letter No. DIR.(Plg.)/DDA/RTI/2005/F-407/594 Dated 30-10-2009 that draft Zonal Plan of Zone 'J' is under submission to the MOUD, Govt. of India for approval. (Photocopy Enclosed)

Dy. Director(Plg.)/ TYA/PIO Mr. Rajesh Kumar Jain is stated in letter no. F.5(1)2006/RTI/Pt.-II/13/132 Dated 24-11-2009 that 10 Hecter of land should be earmarked for wholesale trade in which Iron & Steel trade can be accommodated. (Photocopy attached)

Jt. Director-1 (AP-1)/PIO is stated in letter no. SRO(Plg.) RTI/09/D-477 Dated 06-11-2009 that draft development plan of Zone 'F', 'G', 'H' has been sent to the ministry for approval. (Photocopy Attached).

Dy. Director (AP)-II/PIO Mr. K.K. Marwah is stated in Letter no. AP-II/RTI/DDA/09/39 /D-136 Dated 06-11-2009 that Zone 'A' (Walled city) and Zone 'B' (Karol Bagh and city extention) has been sent to the MOUD Govt. of India. (Photocopy Attached).

Jt. Director (Plg.) DWK/PIO is stated in Letter no. F.15(112) 09/RTI/PLG/DWK Dated 12-11-2009 that Zone K-I, K-II and L Zonal development plans has been sent to MOUD Govt. of India for final notification. (Photocopy Attached)
The Zonal Map of NCT Delhi is also Attached.

In view of the above it is suggested that since building materials such as Marble, Timber, Steel etc. are needed in all part of city and these shops and establishments are scattered all over Delhi and these are connected with every life. In fact, at one time, Iron & Steel was covered under Essential commodities. These shops employ Lakhs of people and generate revenue in Crores of Rupees every year in terms of VAT, Duties, Income Tax etc. for the Govt. of India and Delhi Govt.

Until the Govt. provides alternative place to carry out this business, these shops may be allowed to function from Present Premises and it is also suggested that their sealing shops should desealed at the earliest so that our Traders can earn their livelihood for the families.

We shall be grateful if you kindly consider our suggestions and objections while reviewing the MPD 2021 and give some relief to the Traders of Delhi.

Thanking You,
Yours Truly

IN THE MATTER OF :

IN THE MATTER OF :

Delhi Loha Vyapar Association (Regd.)

Applicant

RESPONSE ON BEHALF OF DELHI DEVELOPMENT AUTHORITY:

I, A.K. Jain, Commissioner(Planning), Delhi Development Authority, Vikas Minar, ITO, New Delhi, do hereby solemnly affirm and state as under:-

1. That I am the Commissioner(Planning), Delhi Development Authority and am competent to sign and swear affidavits on behalf of Delhi Development Authority hereinafter referred to as 'the Authority in the matters concerning Development of Delhi according to Plan. I am conversant with the facts and circumstances in the above referred public interest matter filed on behalf of Delhi Loha Vyapar Association (Regd.).
2. That in the above petition no. I.A. 2066 the applicant association is alleging that the new Master Plan is totally silent about the spaces/land to be provided in Delhi for business of Iron and Steel. The allegation of the association are unfounded and erroneous.

3. That in reply to contention of the applicants about future needs of the traders of Iron & Steel and to developed markets for trade of Iron Steel, Building Materials in MPD-2021, it is respectfully submitted, that MPD-2021 has provided for the same in chapter 6 under the heading 'Wholesale Trade', for setting up of wholesale enterprises in Delhi. The MPD-2021 in chapter 6 has provided for various city level and wholesale markets in sub para 6.1.1, 6.1.2 and sub para 6.2. An extract of the chapter 6 of the MPD 2021 is annexure R/D/1 hereto.
4. The answering authority craves leave of the Hon'ble Court to refer to the provisions of MPD-2021. It is respectfully submitted that the MPD-2021 has taken into account the existing planned markets and warehousing developed earlier and has also stated about wholesale markets to be developed in Delhi. In the urban extensions, about 8-10 hectare of land for about 1 million populations should be provided for sub-city level markets. The different commodities to be provided at various locations should be decided at the time of preparation of schemes by the implementing agency. These markets shall have adequate parking, repair and servicing facilities. Land should be identified in each zone accordingly.
5. That it is respectfully submitted that the policies given in MPD-2021 are the broad frame work for future growth and development of the city which could be modified during the plan period depending on the changing needs of the society. The implementation of the Master Plan also depends on the various socio-economic and administrative factors which may change during the period of the Plan.
6. That the MPD-2021 has also provided for monitoring the frame work for the development as per proposal of MPD-2021 in the table 18.1 in the MPD-2021.
7. The applicant assertions regarding violation of their fundamental right is wrong and denied. The answering authority has not violated

fundamental right of the applicants in any manner. On the contrary their business of Steel & Iron has been considered at the preparation of the Master Plan. The MPD-2021 has specifically provided for applicants business under the chapter No. 6 'Wholesale Trade'. The business or commercial activity in the residential areas which is contrary to the provision of Master Plan MPD-2021 can not be permitted. It is wrong to allege that the person whose business, which is prohibited under Law, may be permitted to function from the present location.

8. That the answering Authority is a statutory authority created under the act of Parliament, known as Delhi Development Act and is duty bound to act in accordance with law and enforce the proposals under MPD-2021. It is duty bound to act and implement in directions issued by this Hon'ble Court. In view of the provisions already made in MPD-2021 in chapter 6, the applicants are not entitled to any relief on the petition from this Hon'ble Court.
