OFFICE OF THE DIR (Plg.)  
MPR/TC, D.D.A. N. DELHI-2  
No. 790  
dated 16-11-11

for  
Subject: Allowing full Retail Shops to operate from Basement Floor & Ground Floor on  
GREEN PARK MAIN MARKET ROAD in Green Park.

Sir,  
Green Park Main Market Road is just opposite LOCAL SHOPPING CENTRE and therefore  
totally unfit for habitation.

With the passage of time, the plots on this road were converted to commercial with the  
need of society and requirement.

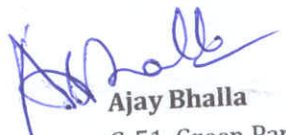

It is the considered opinion of the Town Planner/Developers and a "Universally  
Accepted Concept" that within the radius of 100 meters of authorised market all the lanes  
and strips should be commercial due to growth in population and increase/change in  
demands/requirements/necessities of life.

**So it is our humble request to declare the stretch opposite market to declare  
commercial where there was commercial activity before 2007.**

A Survey by MCD was conducted in 2007 more than 75% commercialisation existed on this  
roads.

Thanking you and appreciate favourable response.

Yours sincerely
