dated 16-11-11

Subject: Allowing full Retail Shops to operate from Basement Floor & Ground Floor on
GREEN PARK MAIN MARKET ROAD in Green Park.

Sir,
Green Park Main Market Road is just opposite LOCAL SHOPPING CENTRE and therefore
totally unfit for habitation.

With the passage of time, the plots on this road were converted to commercial with the
need of society and requirement.

It is the considered opinion of the Town Planner/Developers and a "Universally
Accepted Concept" that within the radius of 100 meters of authorised market all the lanes
and strips should be commercial due to growth in population and increase/change in
demands/requirements/necessities of life.

**So it is our humble request to declare the stretche opposite market to declare
commercial where there was commercial activity before 2007.**

A Survey by MCD was conducted in 2007 more than 75% commercialisation existed on this
roads.

Thanking you and appreciate favourable response.
