OFFICE OF THE DIR (Plg.)
MPR/TC, D.D.A. N. DELHI-2
Dy.No. 792
Dated 16-11-11

Subject: Allowing full Retail Shops to operate from Basement Floor & Ground Floor on GREEN PARK MAIN MARKET ROAD in Green Park.

Sir,
Green Park Main Market Road is just opposite LOCAL SHOPPING CENTRE and therefore totally unfit for habitation.

With the passage of time, the plots on this road were converted to commercial with the need of society and requirement.

It is the considered opinion of the Town Planner/Developers and a "Universally Accepted Concept" that within the radius of 100 meters of authorised market all the lanes and strips should be commercial due to growth in population and increase/change in demands/requirements/necessities of life.

(So it is our humble request to declare the stretche opposite market to declare commercial where there was commercial activity before 2007.)

A Survey by MCD was conducted in 2007 more than 75% commercialisation existed on this roads.

Thanking you and appreciate favourable response.

Yours sincerely
