**Sub: - Objection to draft Zonal Plan for Zone - E in respect of 45m ROW Road from U.P. Link Road, passing through New Ashok Nagar and many other Colonies to NH - 24**

Dear Sir/ Madam,

In Response to your advertisement published in National Newspaper The Times of India, New Delhi. By Commissioner-Cum-Secretary on 4<sup>th</sup> Oct 2011 I hereby submit my Suggestion / Objection.

I am one of the residents of New Ashok Nagar residing here for a long time with my family. I shall be ruined if the above mentioned plan is ever implemented. Please do not allow any destruction as many Social, Educational and Religious Structures and Homes belonging to Poor Citizens' which are in Existence here much before the MPD 2021 was proposed.

Would like to bring your kind notice towards alternatives available. Please consider the Ground Realities as portrayed through the Representation by many RWA's in the year 2008.

In the alignment of the Proposed Road more than Ten Colonies are falling and all of them has obtained Provisional (Regularization) Certificate and as per the norms and awaiting for the Final Approval.

Kindly look into the issue with much urgency and save our homes and the lives from getting ruined.

Thanks & Regards,

TAPAN BHOWMIK
