Ref: Suggestions & amendments in Delhi Master Plan 2021.

Hon'ble Sir,

It is a welcome step that our Government is planning to make some necessary amendments in Master Plan 2021 and taking a regular review directly from the public. This will definitely help our Government to make this Master Plan more realistic and citizens friendly.

We would like to draw your kind attention towards the proceedings which was published in 'Navbharat Times' on 1/5/2012, Photo copy enclosed. The suggestions which are proposed are very practical and we request you to please make this suggestion as an amendment in proposed Master Plan 2021 which is going to be passed very soon. We further request that the regularization of unauthorized colony where all titles are clear of the said colony/urbanized village the permanent certificate must be issued immediately as there is a acute shortage of Apartment & commercial spaces in Delhi and situation is getting worst & worst every day since the plan for making Houses/Apartments or commercial spaces are held by MCD, DDA for long time and projects are not been sanctioned by the above Authority since issuance of permanent certificate is still pending by Government.

Therefore, your early action in this matter will be highly appreciated in national interest on urgent basis.

Thanking you,

Yours faithfully,

For Confederation of Delhi Apartment Owners(Regd)

[LOKESH SHARMA] 2 MAY, 2012
