OFFICE OF UDM
By No. 1747
Date 15/12

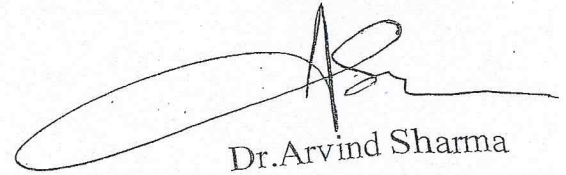

Respected Sh. Kamalnath Ji,

With due respect I would like to submit that earlier planning department DDA was given permission for installation of petrol pump in rural/ urban areas in Delhi. The petroleum Dealer association of Delhi for their vested interest stalled the permission for installation of New petrol pump in the rural/Urban area of Delhi. This has affected the interest of the new genuine allottees, such as widows, war widow, ex-servicemen and weaker section of the society.

I would like to request your good self to personally intervene in this matter and look in to the master plan 2021 which is being reviewed a fresh and retrieve the earlier system of DDA granting permission for installation of the retail outlet in the rural / urban areas of Delhi.

With regards.

Yours sincerely

Dr. Arvind Sharma

Sh. Kamalnath
