Subject: Demanding approval of Master Plan Noida 2021.

Dear Sir:

We Noida Extension Member and Owner's Association (NEOMA), a group of thousands of home buyers who have booked their dream homes in Noida Extension. After Honorable Allahabad High Court's verdict all construction activities are at halt and waiting approval from NCR Planning Board.

Thousands of home buyers (middle-class families) who have put their hard-earned money in this area are now awaiting the approval from NCRPB. There is already a delay in construction work of about one year. Our dream now depends on approval of NCRPB.

Therefore, NEOMA on behalf of all home buyers is requesting speedy approval of the Master Plan 2021. Please look into the matter personally and save us and our hard-earned money by approving the Master Plan 2021.

Yours favorable response is much awaited.

Yours truly,

Dileep Kumar (President)

On behalf of NEOMA (Noida Extension Member and Owner's Association)
