Shri Kamal Nath Ji
 Union Minister for Urban Development
 Chairman - National Capital Region Planning Board
 1, Tuglak Road,
 New Delhi - 110 011

Subject: Requesting approval of Master Plan Noida 2021.

Dear Sir,

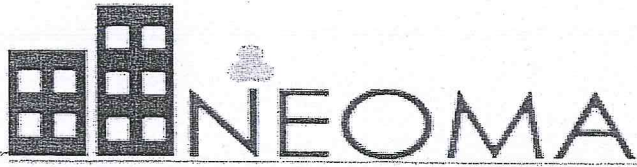

We NEOMA (Noida Extension Owners & Members Association) a group of 2000+ members and residents of Greater Noida, who have put their hard-earned money for dream home and are awaiting the approval from NCRPB. After Honorable Allahabad High Court's verdict all construction activities are at halt and which has already delayed in construction work of about one year. By this we buyers are badly affected financially as well as morally. Our future now depends upon an approval of your esteemed body NCRPB.

Therefore, On Behalf of residents and members of Greater Noida / Noida extension flat buyers, NEOMA would like to request to speedy the process of NCRPB approval of Master Plan 2021. Please look into the matter personally and save us and our hard-earned money by approving the Master Plan 2021.

For your kind information: Work is at halt but still we buyers are paying installments and bank interests.

Thank you very much in advance for your consideration and NEOMA look forward for your immediate and favorable response on the issue.

Regards,
NEOMA (Noida Extension Owners & Members Association)
