No. F1 (1)06/DCE/DDA/468

Dated: 28.11.2006

CIRCULAR

Subject: Action against encroachment on govt land and un-authorized construction by the owners of commercial plots/built-up units

The roles of various departments of DDA in checking unauthorized construction/encroachment on Govt. land by the owners of commercial plots/builtup shops are hereby clarified as under:

I- Market in the development area i.e. where services and maintenance have not been handed over to MCD

A- Action against encroachment

The action against encroachment on govt land either by owners of commercial plots or by owners of built-up units, to be taken by the concerned division for removal for the same in co-ordination of the LM Branch. The CL or CE Branch should be intimated about such violations so that action for determination of lease can be taken in case of leased properties if the violations have been done by the Lessee. If the property is free-hold then no action can be taken under the term & conditions of lease.

B- Action against un-authorized construction

The action against un-authorized construction by a owner of commercial plot to be taken by the Building Department and in case of built-up unit action to be taken by the concerned division. The CL or CE Branch should be intimated about such violations so that action for determination of lease can be taken. If the property is free-hold then no action can be taken under the term & conditions of lease.

II- Markets where services and maintenance have been handed over to MCD

A- Action against encroachment

The action against encroachment on govt land either by owners of commercial plots or by owners of built-up units, can be taken by the MCD. The CL or CE Branch should be intimated by MCD about such violations so that action for determination of lease can be taken in case of leased properties if the violations have been done by the Lessee. If the property is free-hold then no action can be taken under the term & conditions of lease.

B- Action against un-authorized construction

(a) If Building activities have also been transferred to MCD

The action against un-authorized construction by an owner of commercial plot/ built-up unit can be taken by the MCD. The CL or CE Branch should be intimated by MCD about such violations so that action for determination of lease can be taken in case of leased properties. If the property is free-hold then no action can be taken under the term & conditions of lease.

(b) If Building activities have not been transferred to MCD

The action against un-authorized construction by a owner of commercial plot to be taken by the Building Department of DDA and in case of built-up unit action to be taken by the concerned division of DDA. The CL or CE Branch of DDA should be intimated about such violations so that action for determination of lease can be taken in case of leased properties. If the property is free-hold then no action can be taken under the term & conditions of lease.

This is issued with the prior approval of VC, DDA.

DELHI DEVELOPMENT AUTHORITY
OFFICE OF COMMISSIONER (LD)

No: F.26(1)07/Coordn(LD)/67

Dated: 9th April 2008

CIRCULAR

In supersession of this office circular No. F26)1)07/Coordn (LD)/ 24 dated 31st March, 2008, revised circular is as follows:-

The conversion policy was formulated by MOUD in 1992 and circulars on the subject have been issued from time to time by DDA. In order to streamline the process of conversion cases, the gist of relevant instructions issued from time to time with necessary clarifications are re-produced below:

[a] Conversion will be allowed without any site inspection. Site inspection should be carried out only if there are previous notings in the file or specific complaints regarding unauthorized construction or misuse in the file.

[b] Conversion of leased properties irrespective of any building violations or use violations will be allowed and a letter will be sent to MCD or Building Department of DDA for taking appropriate actions per rules.

[c] However, in case of commercial property, unauthorized construction within plot area may be taken as misuse since it tantamount to increase in usable area/ FAR.

[d] Conversion will be allowed after recovery of past misuse charges as per policy whether earlier demanded or not.

[e] In the cases where allotment has been cancelled or lease has been determined on account of unauthorized sale, conversion will be allowed after obtaining approval of Competent Authority for restoration of allotment/lease deed and on recovery of Restoration Charges.

[f] If lease has been determined and allotment has been cancelled on account of unauthorized construction and misuse, the lease will be restored without insisting on removal of breaches and conversion will be allowed subject to payment of all penal charges. This will also be applicable in the cases wherein GPA and Agreement to sell has been executed after determination of lease deed or cancellation of allotment. *(As modified vide circular no. F.26 (1) 07/Coord/ LD/06 dated 9.2.2009)*

[g] In case of unauthorized encroachment on public land, conversion shall be allowed only after removal of encroachment and recovery of damage till the date of removal of encroachment.

[h] In the cases where lease have been determined or allotment have been cancelled after the date of GPA or Agreement to Sell, conversion may be allowed subject to recovery of restoration charges and other dues payable by the lessee.

[i] In case of any dispute regarding title of property, conversion will not be allowed and the applicant will be advised to settle their claim before the court of law as DDA is not a forum to settle such issues.

[j] In case complaints are received against conversion, the complainant will be given an opportunity to prove his claim. If the complainant does not appear despite giving reasonable opportunity, conversion will be allowed.

[k] Conversion is allowed on the basis of completion certificate or Form 'D'. If completion certificate of form 'D' is not available, conversion is being allowed on the basis of house tax assessment order alongwith supporting documents. A site inspection should be carried out only where conversion is being sought on the basis of House Tax Assessment order where built up area is not indicated and in case of Self Assessment of House Tax on unit method adopted by MCD w.e.f. 1.4.2004. However, the scope of inspection should be limited to ascertain whether allottee has utilized/constructed 100% FAR in commercial & industrial plot and in residential plots, 1/3rd of the permissible coverage at ground floor by constructing self contained dwelling unit. The self contained dwelling unit means a minimum accommodation for a family with living room, kitchen, bath WC or a toilet. *(As modified vide circular no. F.26 (1) 07/Coord/LD/19 dated 8.4.2009)*

[l] In case of unauthorised construction and misuse, irrespective of any building violations or use violations of Master Plan, the conversion of all leased properties would be permitted subject to recovery of misuse charges whether earlier demanded or not. The violations of building bye-laws or master plan is a subject matter of Enforcement Branch, MCD/DDA.

No site inspection should be carried out before allowing conversion except if in the file or in the survey report or any document establishes that premises is being misused. In such cases, site inspection should be carried out to ascertain the area and period of misuse for calculating misuse charges.

[m] In order to ascertain clearance of all the dues, the Lease Administration Officer before execution of the conveyance deed must ensure that all the payments

received have been realised/verified and no dues report obtained from Finance Wing.

[n] Where a Show Cause Notice is issued for unauthorized sale for committing breach of terms and conditions of the lease deed and thereafter, conversion application is received from the GPA, the Show Cause Notice shall be deemed to be withdrawn and conversion applications be processed.

[o] House Tax Receipts issued by MCD after adoption of Self House Tax Assessment on Unit method shall not be considered as proof of physical possession for the purpose of conversion.

All concerned officers should dispose of conversion applications keeping in view the above parameters/instructions.

CIRCULAR

In order to further streamline the process of conversion of industrial properties from leasehold to freehold, it has been decided with the approval of competent authority that no misuse charges will be levied in case industrial property has been used for industrial activities other than the ones permitted as per allotment letter/lease deed provided such other industrial activities on the particular property are in conformity of Master Plan.

Provided that non- levy of misuse charges, at the time of conversion, as per above will not amount to change of use/land use of the property unless use/land use of the property has been specifically changed on payment of applicable charges if any.

Further provided that use of basement for any industrial or commercial activities will continue to be treated as misuse and misuse charges to be levied unless such use is specifically permitted as per allotment letter/lease deed/ disposal conditions.

Note: Past cases where misuse charges have already been deposited will not be re-opened and no refund claim will be allowed. However, cases at different stages of processing for levying misuse charges will be covered under this circular.

[Clarification vide letter no. F.64 (4)80/Impl/CL3133 dated 10th September 2009 that the circular specifically exclude those cases where misuse charges have already been deposited. Hence cases where misuse charges have been communicated but not deposited are covered under this circular.]

[Clarification vide letter no. F.8(4)71LSB(I)/2512 dated 20th August 2009 that in case of use of basement/mezzanine floor for any permissible industrial activity will not be treated as misuse of the industrial plot if the basement/mezzanine was a part of FAR]

In order to further streamline the process of conversion of commercial plots from leasehold to freehold, it has been decided with the approval of the competent authority that:

1. General Commercial Plots (use zone C1)

No misuse charges shall be levied in case 'general commercial plot' (use zone C1) is/has been used for commercial activities other than the one specified in the allotment letter/lease deed/terms of disposal subject to the condition that such other commercial activities on that particular plot are in conformity with the activities admissible on general commercial plot (use zone C1) under MPD-2021.

2. Commercial plots of specific use

However, misuse charges shall continue to be levied if the plot which was allotted/ disposed of for a specific use/activity is used for general commercial activities or commercial use/activity other than the use/activity specified in the allotment letter/lease deed/terms of disposal of such plot. Illustrative list of such plots of specific activities are hotel plot/service apartment plot/ Guest house plot/ multiplex plot/parking plot/banquet hall plot/fuel depot plot/restaurant plot/ nursing home etc.

Note:

1. Use of basement/mezzanine for any industrial commercial/residential activities will continue to be treated as misuse and misuse charges to be levied unless such use is specifically permitted as per allotment letter/lease deed/disposal conditions.
2. Non levy of misuse charges, at the time of conversion, as per above will not amount to change of use/land use of the property unless use/land use of the property has been specifically changed on payment of applicable charges, if any.

No.F.4 (10)08/AD/Coord/LD/64

Dated: 18th September, 2008

CIRCULAR

It has been observed that a number of conversion cases are pending in both Land Department and Housing Department wherein the applications were filed more than six months earlier. Though Citizen Charter provides finalization of conversion cases within three months but this time frame is not being adhered in most of the cases. Complaints are being received in public hearing regarding undue delay in conversion cases. In order to further streamline the process of conversion from leasehold to freehold, it has been decided that:

1. All conversion cases where conversion application is pending for more than six months will be decided by 30.9.2008. All undecided cases as on 1.10.2008 or applications received after 1.10.2008, which could not be decided within a maximum period of 6 months will have to be placed before Commissioner (LD)/Commissioner (Housing) listing reasons for the delay and the expected time by which the case is likely to be finalized. In case it is observed by the competent authority that the delay has been due to unnecessary queries, raising piece-meal objections or due to any other un-justifiable reason then responsibility for the same will be fixed and disciplinary proceedings will be initiated.
2. Conversion cases pending either due to non- response from applicant or failure to complete deficiencies/ outstanding dues need not be kept pending in view of previous instructions issued in this regard. Such cases will be rejected if there is no response from the applicant even after issue of fresh and final show cause notice. Such rejected cases will be restored by the concerned competent authority only on removal of the deficiencies/payment of dues and payment of conversion charges at current rate (conversion charges already paid will have to be adjusted). These cases however will not be equivated with the cases where applicants are disputing dues/deficiencies.
3. A Committee is hereby constituted to consider all such cases wherein concerned competent officer is unable to finalize conversion case either due to non-availability of specific policy on the issue involved or because of any other reasons to be specified by him. Composition of the Committee will be as under:
 - a. Concerned Director
 - b. Concerned Dy. Director

- c. Dy. CLA
- d. Director(LC) / FA(H) [as the case may be]

The Committee will hold a meeting every month in the first week for Land Department and in second week for Housing Department. Meeting notices of the Committee will be issued by respective Directors (Coordination) atleast one week in advance so that branches may place all the deserving cases before the committee alongwith status note, reasons for delay and points to be decided. Recommendations of the Committee will be considered by the respective Competent Authority for immediate appropriate decision.

In case the concerned Competent Authority differs with the recommendations and decides to take a different view than the file will be put up to the respective HOD for taking final decision along with justification etc.

- 4. Any un-justified delay in either deciding a conversion case or in placing it before committee or in taking final decision after recommendations of the Committee will be viewed seriously.

Subject: Restoration of allotment in re-location schemes/evictees and allotment under ST and SC reserve categories.

It has been decided by the Competent Authority that in cases of built-up commercial properties where the allotments have been cancelled because of delay in payment of premium/installments/interest, but possession is still with the allottee, allotment can be restored at the level of the Commissioner (LD) subject to payment of balance premium, interest, restoration charges and other applicable charges. The restoration charges in such cases will be levied @ 2.5% of the current average auction rate of the concerned area. [For example: If current average auction rate of the area is Rs. 75,000 per sqmtr then restoration charges for a shop measuring 10 sq mtr will be Rs. 18750/-].

This circular will apply only to past allotment cases where the term & conditions provides for handing over of possession on certain part payment.

Explanation: This circular will not apply to cases:-

1. Where allotment of built-up commercial property has been done after issuance of this circular though the category of allotment is one of the above mentioned categories.
2. Where disposal of built-up commercial property has been done through auction/tender mode.

DELHI DEVELOPMENT AUTHORITY
OFFICE OF DY.DIRECTOR (COORDN.) LAND DISPOSAL

No. PA/DDA/LAB/RO/07/DDA/EOT/38/69

Dated: 25th Sept., 2008

OFFICE ORDER

Earlier it was notified that the maximum permissible period for construction of various categories of plots allotted or auctioned by DDA was extended upto 31.12.2008.

Now taking into account various representations/ requests, it has been decided by the competent authority to extend the period of construction as follows subject to payment of composition charges as per policy.

1. In case of institutional plots upto 31.12.2009 considering that the basic aim of concessional allotment was to provide facilities in the city.
2. In case of Residential, commercial and industrial plots upto 31.12.2011.

It may be noted that this is the last and final opportunity and in case of failure to complete the construction by above mentioned dates, as applicable to particular category of the plot, it would result in determination of lease/resumption of property by DDA without any further notice.
