FM stated that the purpose of constituting the Monitoring Committee was to conduct a review the existing performance so as to improve upon the working of DDA. by taking new initiatives and making more concerted efforts. He pointed out that DDA projects have been delayed for quite some time and the image of DDA is at stake and unless we deliver results DDA's image will not improve. He pointed out that the budget estimates prepared by the Engineering Wing are not rationalized and the provisions are kept on higher

CAO presented the receipt budget of DDA and stated that in RBE 2008-09 a provision of Rs.312.28 crs. was kept towards receipts from disposal of houses against which the actual receipt upto March 2009 was Rs.250.35 crs. thus there was a short fall in receipts to the extent of Rs.61.93 crs. Further in respect of receipts from disposal of lands a provision of Rs.1240.94 crs. was proposed in the revised budget estimates of the Authority against which the actual receipt was Rs.863.53 crs. and the short fall in receipts was Rs.377.41 crs. Commissioner(H) clarified that in Dec.2009 a draw was held for allotment of flats and since the allotment was subjudice therefore, the demand letters could not be sent. The same will now be sent to allottees during this year and amount will get realized. Further in respect of receipt from disposal of plot Commr.(H) informed that the plots were put to auction and could not be disposed of due to economic recession in the market.

FM stated that the overall position of receipts was satisfactory as against the projected receipts of Rs.3625.18 crs. the actual receipt was Rs.3712.38 crs.

Referring to the figures of expenditure FM stated that the picture of expenditure was not very good as against total expenditure of Rs.2362.46 crs. projected in RBE 2008-09 the expenditure incurred was Rs.1866.44 crs.

Under the activity Acquisition of land an expenditure of Rs.40.41 crs. was incurred against the budget provision of Rs.75.00 crs. Director(LM)HQ informed that for land acquisition we are dependant on Delhi Administration and therefore the budget could not be utilized. Budget provision was also kept for payment of enhanced compensation which became payable on the judgement given by courts. As the court cases were still pending, BE was got reduced and budget remained utilised.

On the expenditure side some of the main schemes/projects under Nazul A/c-II & BGDA were brought for discussion where the short fall was more pronounced. Reviewing the scheme under Nazul A/c-II CAO pointed out that in respect of scheme D/o 200 acres of land at Bakkarwala a budget provision of Rs.840.00 lacs was kept in BE 2008-09 which was reduced to Rs.400.00 lacs in revised budget estimates. Even after reducing the budget provision in revised budget estimates, expenditure to the extent of Rs.188.74 lacs could only be incurred upto 3/09. Thus budget provision kept in RE amounting to Rs.211.26 lacs remained

The CE(DWK) clarified that the expenditure could not be incurred because the tenders for this work were called five times and in fourth call the tenders were rejected on 5.3.08 on account of higher rates. In the fifth call the tenders had been opened and the work was awarded on 12.12.08 with June 2010 as the stipulated date of completion.
