6-A If at any time after the commencement of the supplies the President of India shall for any reason what soever not require the whole thereof as specified in the tender to be supplied the Divisional Officer shall in addition to his power to annul the contract in case of default on the part of the contractor, have power to terminate all liability of the President thereunder at any time after giving due notice in writing to the contractor of his desire to do so, In the event of such a notice being given.

(a) The Divisional Officer shall be entitled to direct the contractor to complete the supply of the material which are ready for delivery up to the expire of the notice and thereafter to cease their supply, all the articles or supplies received and accepted up to that date shall be paid for at the tender rate, and.

(b) The contractor shall have no claim to any payment or compensation what-so-ever on account of any profit or advantage which he might have derived in consequence of the full execution of the contract but which he did not obtain owing to its premature termination or for any loss which he might have sustained on this account.

7. No payment should be made for a work estimated to cost rupees five thousand or less till after the whole or the work shall have been completed and certificate of completion given. But in the case of work estimated to cost more than rupees five thousand the contractor shall on submitting the bill be entitled to receive a monthly payment proportionate to the part thereof then executed to the satisfaction of the Engineer-in-charge, whose certificate of the sum of payable shall be final and conclusive against the contractor.

Payment due to the contractor may, if so desired by him, be made to his bank instead of direct to him, provided that the contractor furnishes to the engineer-in-charge (1) an authorisation in the form of a legally valid documents such as a power of attorney containing authority on the bank to receive payment and (2) his own acceptance of the contractness of the account made out as being due to him by the Government or his signature on the bill or other claim preferred against Govt. before settlement by the Engineer-in-charge of the account of claim by payment to the bank while the receipt by such bank shall constitute a full and sufficient discharge for the payment the contractor should, wherever possible present his bills duly receipted and discharge through his bankers.

Nothing herein contained shall separate to create in favour of the bank any rights or equities vis-a-vis the President of India.

8. The materials shall be of the best description and in strict accordance with the specification and the contractor shall receive payment for such materials only as are approved and passed by the Engineer-in-charge.

9. In the event of the material being considered by the Engineer-in-charge to be inferior to that described in the specifications, the contractor shall on demand in writing forthwith remove the same at his own charge and cost and in the event of his neglecting to do so within such period as may be named by the Engineer-in-charge that office may have such rejected material remove at the contractor's risk and the expenses incurred being liable to be deducted from any sums due or which may become due to the contractor.

9 A. The contractor/seller hereby declares that the goods stores articles sold or to be sold to the Govt. under this contract shall be of the best quality (and workmanship) and shall be strictly in accordance with the specifications and particulars contained mentioned in clause 8 hereof and the contractor/seller hereby guarantees that the said goods/stores articles shall continue to conform to the description and quality aforesaid for a period of three months shall the date of delivery of the said goods/stores/article to the Engineer-in-charge and that notwithstanding the fact that the Engineer-in-charge may have inspected and on approved the said good articles be discovered not to conform to the description and quality aforesaid or to have deteriorated (and the decision of the Engineer-in-charge in that behalf will be final and conclusive a binding on the parties the Engineer-in-Charge will be entitled to reject the said good/stores/articles or such portion thereof as may be discovered not to conform to the said description and quality. On such rejection the goods articles stores will be at the seller's risk and the provisions contained in the clause 9 hereof shall mutatis mutandis apply to the removal of the goods/stores/articles rejected under this clause. The contractor/seller shall if called upon to replace the said goods/stores/articles or such portion thereof as has been rejected by the Engineer-in-charge or otherwise the contractor/seller shall pay to the Govt. such damages as may arise by reason of the breach of the condition herein contained, Nothing herein contained shall prejudice any other right of the Govt. in that behalf under this contract or otherwise.

10. If the contractor or his work people or servants shall break, deface injure or destroy a building, road, road clubs, fence enclosure, water pipes cables drains, electric or telephone posts or wires, trees, grass or grass land of cultivated ground contiguous to the place where the materials are being supplied, he shall make good the same at his own expense and in the event of his refusing or failing to do so the damage shall be required at his expense by the Engineer-in-charge, who shall deduct the cost from any sums due, or which may become due, to the contractor.

11. The contractor shall supply at his own expense all tools, plant and implements required for the due fulfilment of his contract and the material shall remain at his risk till the date of final delivery, unless it shall have been in the mean time removed for use by the Engineer-in-charge.

12. No material shall be brought to site or delivery on Sundays without the written permission of the Engineer-in-charge.

13. This contract shall not be sublet without the written permission of the divisional Officer. In the event of the contractor subletting his contract without such permission he shall be considered to have thereby committed a breach of contract, and shall forfeit his security deposit and shall have no claim for any compensation for any loss that may have been collected or engagement entered into.

13A. The Engineer-in-charge shall have power to make any alteration in, commissions firm, additions to or substitutions for the original specifications, drawings, designs, and instruction that may appear to him to be necessary or advisable during the course of supply of the materials and the contractor shall be bound to supply the materials in accordance with any instructions which may be given to him in writing signed by the Engineer-in-charge and such alterations omissions, addition at substitutions shall not invalidate the contract, and altered additional or substituted materials which the contractor may be directed to supply in the manner above specified as part of the work shall be supplied by the contractor on the same conditions in all respect or which he agreed to do the mainwork, and at the same rates, as are specified in the tender for the main work. The time for the completion of the supply shall be extended in the proportion that the altered, additional or substituent quantity of materials bears to the original quantity and the certificate of the Engineer-in-charge shall be conclusive as to such proportion. And if the altered additional or substituted materials include any class of materials, for which the rate is specified on this contract than such class of materials shall be supplied at the rates entered in the schedule of rates of the.....direct on which the estimated cost shown on page 2 of the tender is passed and in such class of materials are not entered in the said schedule of rates, then the contractor shall within seven days of the date of his receipt of the order to supply the materials inform the Engineer-in-charge of the rate which it is his intention to charge for such class of materials and if the Engineer-in-charge does not agree to this rate he shall by notice in writing be at liberty to cancel this to supply such class of materials and arrange the supply thereof in such manner as he may consider advisable provided always that if the contractor shall commence supply or incur any expenditure in regard thereto. Before the rates shall have been determined as lastly herein before mentioned time and in such case he shall only be entitled to be paid in respect of the supply made or expenditure incurred by him prior to the date of the determination of the rate as aforesaid according to such rate or rates shall be fixed by the Engineer-in-charge in the event of a dispute the decision of the Superintending Engineer of the circle shall be final.

13B. In every case in which by virtue of the provision of Section 12 Sub Section (1) of the workman's Compensation Act, 1923. Govt. is obliged to pay compensation to a worker employed by the contractor, in execution of the works Government will recover from the contractor the amount of the compensation so paid and with prejudice to the rights of Govt. under Section 12, Sub Section (2) of the said Act Government shall be at liberty to recover such amount or any part thereof by deducting it from the security deposit or from any sum due by Govt. to the contractor whether under this contract or otherwise.

Government shall not be bound to contract any claim made against it under Section 12 Sub Section (1) of the said Act. except on the written request of the contractor upon his giving to Government full security for all costs for which Govt. might become liable in consequence of contesting such claim.

13C (a) The contractor shall pay not less than fair wage to labourers engaged by him on the work.

Explanation : "Fair Wages" means wages whether for time or piece work notified at the time of inviting tenders for the work and where such wages have not been so notified the wages prescribed by the C.P.W.D. for the district in which the work is done.

(b) The contractor shall notwithstanding the provisions of any contract to the contrary cause to be paid fair wages to labourers indirectly engaged on the work including any labour engaged by his sub-contractors in connection with the said work as if the labourers had been immediately employed by him.

OW-  
A-  
C-  
D-

ALL

JEP

(c) In respect of all labour directly or indirectly employed in the works for the performance of the contractor's part of this agreement the contractor shall comply with or cause to be completed with the C.P.W.D. contractor's labour Regulations made by Government from time to time in regard, payment wages, wage period, deductions, from wages, recovery of wages not paid and deductions unauthorisedly made maintenance of wage register wage cards, publication of scale of wages and other terms of employment, inspection and submissions of periodical returns and all other matters of a like nature.

(d) The ~~Executive Engineer~~ <sup>Commissioner</sup> or sub Divisional officer concerned shall have the right to deduct, from the money due to the contractor any sum required or estimated to be required for making good the loss suffered by a worker or workers by reasons of non fulfilment of the contract for the benefit of the workers, non-payment, of wage or of deductions made from his or their wages which are not justified by the terms of the contractor or non observance of the regulations.

In the case of Union Territory of Delhi however as the all inclusive minimum daily rates of wages fixed under notification of the Govt. of India in the Ministry of Labour and Employment and forwarded by Chief Engineer vide No. SSW (NDZ)/SWI/SP/S-60/73/109-819 dated 6.6.73 etc. inclusive of wages for the weekly day of rest the question of extra payment for the weekly holidays would not arise.

(d) Under the provision of the minimum Wages Act, 1948 and the minimum Wages (Central) Rules 1950, the contractor is bound to allow or cause to be allowed to the labourers directly or indirectly employed in the works one day's rest for six days continuous work and pay wages at the same rate as for duty in the event of default the ~~Executive Engineer~~ <sup>Commissioner</sup> or Sub Divisional Officer concerned shall have the right to deduct the sum or sums not paid on account of wages for weekly holiday to any labourers and pay the same to the persons entitled thereto from money due to the contractor.

(e) Vis-a-vis the Central Government to the contract shall be primarily liable for the payments to be made under and for the observance of the regulations aforesaid without prejudice to his right to claim indemnity from his sub contracts.

(f) The regulations aforesaid shall be deemed to be a part of contract and may breach thereof shall be deemed to be breach of his contract

13-D In respect of all labour directly or indirectly employed in the works for the performance of the contractor's part of this agreement the contractor shall comply with the cause to be complied with all rules framed by Government from time to time for the protection of health and sanitary arrangements for workers employed by the C.P.W.D. and its contractors.

13-E In the event of the contractor (s) committing a default of any of the provisions or of the Central Public Works Department Contractor's Labour Regulations are Model Rules for the protections of health and sanitary arrangements for the workers as amended from time to time or furnishing any information or submitting or filling any statement under the provisions of the above Regulations and Rules which is materially incorrect he/they shall without prejudice to any other liability pay to the Government a sum not exceeding Rs. 50.00 per every default breach or furnishing making submitting filling such materially incorrect statement and in the event of the contractor(s) defaulting continuously in this respect, the penalty may be enhanced of the 50/- per day for each day of default subject to a maximum of 5 percent, of the estimated cost of the work put to tender. The decisions of the Engineer-in-charge shall be final and binding on the parties.

13-F Hutting for labour the contractor (s) shall at his/their own cost provide his their labour with a sufficient number of huts (the teinafter referred to as the camp of the following specification on a suitable plot of land to be approved by the Engineer-in-charge.

- (1) a The minimum height of each hut at eve level shall be 7" and the following provision will be at the of 30 sq. ft. for each member of the workers family staying with the labourer.
- b. The contractor(s) shall in addition construct suitable cooking place having a minimum area 6 x 5' adjacent to the hut for each family.
- c. The contractor(s) also construct temporary latrins & urinals for the use of the labourers each on the scale not less than four per each one hundred of the total strength separate latrins and urinals being provided for woman.

that one person other than a person appointed by such C.E. or administrative head of the C.P.W.D. as aforesaid should act as arbitrator and if for any reason, that is not possible, the matter is not to be referred to arbitration at all.

Subject as aforesaid the provisions of the Arbitration Act, 1940. or any statutory modification or re-enactment thereof and the rules made there under and for time being in force shall apply to the arbitration proceeding under this clause.

It is a term of the contract that the parties invoking arbitration shall specify the dispute or disputes to be referred to arbitration under this clause together with the amount or amounts claimed in respect of such dispute.

The arbitrator (s) may from time to time with consent of the parties enlarge the time, for making and publishing the award.

15. On the breach of any terms or conditions of this contract by the contractor, the said President shall be entitled to forfeit the security deposit, or the balance thereof that may at that time be remaining and to realise and retain the same as damages and compensation for the said breach but without prejudice to right of the said President to recover any further sums as damage from any sums due or which may become due to the contractor by Government or otherwise howsoever.

#### Interpretation Clause.

The President means the President of India and his successors.

The Divisional Officer means the Divisional Officer for the time being of the Division concerned.

The Sub-Divisional concerned.

Word Importing the singular number only include the plural number and viceversa.

16. Without prejudice to any of the right or remedies under this contract. If the contractor dies the Divisional Officer on behalf of President of India shall have the option of terminating the contract without compensation of the contractor. Termination of contract on death

17. (1) Whenever any claim against the contractor for the payment of a sum or money arises out of or under the contract Government shall be entitled to recover such sum by appropriating in part or whole the security deposit of the contractor and to sell any Govt. promissory Notes etc. forming the whole or part of such security. In the event of the security being insufficient or if no security has been taken from the contractor then the balance or the total sum recoverable as the case may be, shall be deducted from any sum hence due or which at any time thereafter may become due from the contractor under this or any other contract with the Government. Should this sum be not sufficient to cover the full amount recoverable, the contractor shall pay to Government on demand the balance remaining due.

(2) Government shall have the right to cause an audit and technical examination of the works and the final bill of the contractor including all supporting vouchers abstract etc. to be made after payment of final bill and it as a result of such audit and technical examination any sum is found to have been overpaid in respect of any work done by the contractor under the contract or any work claimed by him to have been done by him under contract and found not to have been executed, the contractor shall be liable to refund the amount of the overpayment and it shall be lawful for Government to recover the same from him in the manner described in sub clause (1) of this clause or in any other manner legally permissible and if as a result of audit and technical examination it is found that contractor was paid less than what was due to him under the contract in respect of any work executed by him under it, the amount of such under payment shall be duly paid by Government to the contractor.

PROVIDED That Government shall not be entitled to recover any sum overpaid, not the contractor shall be entitled to payment of any sum paid, short where such payment has been agreed upon between the Superintending Engineer or Executive Engineer on the one hand and the contractor on the other under any term of the contract permitting payment for work after assessment by the Superintending Engineer or the Executive Engineer.
